BACKGROUND INFORMATION: Pursuant to the provision of the San Bernardino County Code, for an individual or organization to engage in the operation of bingo games or motel businesses, that individual or organization must obtain a license issued by the Board of Supervisors. The required license is applied for by filing an application with the Clerk of the Board together with the required filing fee.

Following its receipt and initial review of the application, the Clerk of the Board refers the application to other county departments for further processing and recommendation as to whether the department believes the applicant meets the requirements set forth in the County Code necessary to qualify for the desired license.

With respect to the applications of the Applicants referenced in the Recommendation section of this Report/Recommendation to the Board, the Clerk and other appropriate departments have completed their review and processing of the application and recommends that the Board issue said Applicants a License.

REVIEW BY OTHERS: This item has been reviewed by Sergeant Ferguson, Sheriff Department, (February 7, 2003) and Detective Glozer, Sheriff Department (January 28 and February 3, 2003).
